Item 7 - Resolution to approve the board of directors' decision on 23 June 2025 to issue new shares with preferential rights for existing shareholders

The board of directors proposes that the general meeting approves the board of directors' resolution from 23 June 2025 on a new issue of not more than 52,396,178 shares, entailing an increase of the Company's share capital by not more than SEK 2,515,016.544, with preferential rights for existing shareholders. 3. If all shares have not been subscribed for with subscription rights, the board of directors shall, within the maximum amount of the share issue, decide on the allocation in accordance with the allocation principles below:
 - (i) Firstly, allotment shall be made to those who have also subscribed for shares with subscription rights, regardless of whether the subscriber was a shareholder on the record date or not, and in the event of oversubscription in proportion to the number of subscription rights exercised by each person for subscription and, to the extent that this cannot be done, by drawing lots.
 - (ii) Secondly, allotment shall be made to others who subscribed for shares without the benefit of subscription rights and, in the event that they are unable to receive full allocation, in proportion to the number of shares that each person has notified for subscription and, to the extent that this cannot be done, by drawing lots.
 - (iii) Finally, allocation shall be made to those who have given guarantees in proportion to those guarantees and, in so far as this is not possible, by drawing lots.

4. Subscription for shares shall take place during the period from and including 4 August 2025 until and including 18 August 2025. The board of directors shall be entitled to extend the subscription period.
5. The subscription price shall be SEK 0.5 per share. The share premium shall be transferred to the unrestricted premium reserve.

Payment of shares subscribed for without pre-emptive rights shall be made no later than three (3) banking days after the allotment notice has been sent to the subscriber. The board of directors has the right to extend the payment period.
7. The new shares entitle the holder to a dividend as from the date on which the shares are entered in the share register.
8. The board of directors or a person appointed by the board of directors shall be authorised to make any minor adjustments required to register the resolution with the Swedish Companies Registration Office.

Item 8 - Resolution on authorization for the board of directors to make minor adjustments to the resolutions
